Living Well Question 6

Becoming an adult

A Transitions strategy between Children and Young persons' services within educational care settings is in place.

A LCC wide multi agency board is in place to oversee the implementation of the Special Educational Needs and Disability reforms.

A joint commissioning strategy is in the process of being agreed by Lancashire Clinical Commissioning Groups. This outlines a system for 0-25 years.

LCC has produced a local offer which includes details of education, health, social care and universal services for children and young people.

Living Well Question 7

People and families get involved in planning services and making decisions

People & families are involved in service planning & decision making through co-production.

Working Together for Change is used to enable people to be involved in decision making.

People are involved in developing their person centred plans detailing how they would like to live their lives & also involved in reviewing their support through person centred reviews.

People are offered a personal budget and independent support to plan if needed.

The Partnership board & sub groups includes people and families being involved in decision making.

LCC have supported people with learning disabilities to establish a user lead organisation- Self Advocacy in Lancashire.

LCC has developed a mini tendering process for people requiring support which involves the person and their family in every step of the recruitment and selection.

Living Well Question 8

A question for carers - How satisfied are you that your needs as a carer are being met

Some Family carers across Lancashire feel that their needs are met and others feel that their needs are not met. A questionnaire was completed by family carers during a Partnership Board event.

Some quotes:

'My needs are met well, I have good access to senior managers with my daughter's provider and staff responded to questions and queries'

'I am worried what is going to happen to ILF funding'

'Supported living is good so my daughter has a good independent life'

'Not satisfied with choice of respite care'

'My son is well supported by a great team'.

What do we need to do more of?

What new things do we need to do?
