Living Well are doing mapping across Lancashire.

We can add to this directory and use a symbol or write up to show that people we know have accessed these activities and they are suitable for people with more complex needs.

Dalesview will send Amanda their Activity Directory.

All group members will look at the directory and add activities.

Amanda will look at the survey and add ideas from there.

LD Connect exists in Preston to help. It's a secure social networking site. It has not been working as so few people have signed up.

On the other hand the Lancaster Friends and Relationships facebook page has 120 people signed up and networking. Support workers and family members can also join alongside self advocates.

Awareness and Communication Training across the broader Lancashire footprint

David said it is hard to get to more people to deliver PIMD Awareness Training.

David and Lynette are the only people doing the training.

We need to review this and see if anyone else can assist.

We could do with two family carers per area.

Lynette and David could cover north.

David could ask the family carers at their meeting.

Beth does communication training at Dalesview with their staff.

Cilla Reed may be available to help us develop the communication training and work with us Central Lancashire.

Action: Beth to give David Scilla's email address. David to write to Scilla to ask for her help.

Stanley Grange is run by family carers. Maybe they could help?

Amanda can ask Pete Crane and West Lancashire family carers to see if anyone would be interested in doing the PIMD training with David and Lynette.

Then arrange a meeting Tuesday or Thursday in Preston.

David and Amanda to speak to Charlotte and arrange a new date.

Information Task Group
(what information needs creating and sharing)

We already have a short information sheet on
Communication Passport.

Anne told us about students using 'Sensory Diet.'

Student's leave school with a communication
passport as relevant.

Talking Mats

**Action: Information Task Group to include Rosie,
Chris Robinson, Lynette, Beth and possibly
Chris Benson. Monday or Friday would be good
for Beth.**

**Action: Add Beth's email to the distribution list.
Meet in Lancaster or Garstang.**

Action: David to invite the group together.

Closing Round

What did you think about the meeting?

We learnt about Sensory Diet and other things we
can use to communicate.

It is good to have new people in the group. Enjoyed
new ideas. I enjoyed doing the notes.

Any Other Business
