

Lancashire Learning Disability Partnership Board

Held on 30 March 2016 at 10.00 am

Summary of Actions

Please feedback actions to the next meeting on 18 May. If you cannot attend please summarise the response to the board and forward to Amanda.Topps@lancashire.gov.uk by Monday 16 May.

Cate to find out how many people have been discharged from Assessment and Treatment Units since January and feedback to the next board.

Sally Nightingale to be invited to a meeting to give an update on Transforming Care.

Charlotte will take the questions to the Board away and provide answers for the next board meeting in May.

Here is a log of the questions asked which require an answer:

Question - Are services going to get worse as Lancashire County Council needs to save money?

Question - Are more day centres going to close?

Question - Will there be less support from LCC for peer and group advocacy?

Question - Will there be more pressure on people who live alone in supported housing to share a house?

Question - Will people with little or no support find it harder to get the help they need

Question - I live in a house supported by staff but want to live on my own without staff. How will you help me and people like me?

Fabian will talk to the chair of the working group on bus services to say that there needs to be an easy read way of explaining what is happening with the bus cuts and services.

Fabian will also talk to them about the problems of losing bus services for people with a learning disability.

Ellen to share information from Jeanette Hollingdrake from the Autism Partnership Board.

Ellen will share an easier to understand version of the Self Assessment Framework presentation at the next meeting.

Amanda to send out the dates of My Life, My Support meetings and minutes of previous meetings to all providers.
